

# Under Eye Cream

A Guide on Usage, Application,  
Ingredients & Storage

## Usage

Hydrate the under eye area while reducing the appearance of wrinkles.

- Firms skin under the eyes
- Alleviates dryness with moisture
- Reduces the appearance of fine lines around the eyes
- Helps provide a natural finish beneath under eye concealers
- Reduces puffiness

# *Application*

---

Blended Naturals Under Eye Cream is excellent for **sensitive skin**.

After thoroughly cleansing and toning your skin with one of the Blended Naturals cleansers for your skin type, apply under eye cream.

Dab a small amount of cream under the eyes

Apply morning and night.

# *A Word On Ingredients & Storage*

Store Blended Naturals Under Eye Cream at room temperature but not in warm environments.

Keep bottle tightly closed and pump unobstructed of dry product.

Should the pump jam, remove the pump from the bottle and rinse clear of dried product with hot water.

Alternatively, product can be dispensed onto fingers directly from the bottle.
