Application

Blended Naturals Calming Facial Mask is indicated for **oily and acne prone skin**.

After thorough cleansing skin with Blended Naturals, Clarifying Cleanser, it's time to apply the calming face mask with bentonite and kaolin clays.

In a separate container, Mix a tablespoon of clay powder with water: 1 to 1 (1.3 oz dry, yields approximately 4 oz of hydrated masque)

Adjust powder and liquid to desired consistency.

Use mask immediately after mixing.

Apply evenly to your face in circular motions, avoiding the delicate eye area.

Discard unused portion of mixed mask mixture.

Allow mask to set until dry.

Rinse with warm water.

Use once a weekly after cleansing and before toning.

A Word On Ingredients & Storage

Store unmixed portion of Blended Naturals Calming Face Mask at room temperature. Avoid storing in warm environments.

Always discard unused portion that has been mixed.

Should the pump jam, remove the pump from the bottle and rinse clear of dried product with hot water.

Alternatively, cream can be applied to fingers directly from the bottle for distribution.

INGREDIENTS (99% natural):

**Note:* A small amount of preservative is used to prevent the product from growing harmful micro-organisms
