Application

Blended Naturals Organic Green Tea and Aloe Cleanser is indicated for **normal, dry and sensitive skin**.

Splash face thoroughly with warm water.

Pump 1-2 drops of cleanser into your hand.

Use the tips of your fingers to rub the cleanser all over your face in circular motions working upwards, avoiding the eye area.

Splash cool water over your face until cleanser is rinsed clear.

Allow skin to air dry until skin is damp but not dry (Alternatively, pat damp with a sterile cotton pad).

Apply 3-5 drops of Organic Cucumber & Aloe Toner to a cotton pad and swipe across the face working upwards and avoiding the eye area.

After cleansing & toning, apply Blended Naturals Antioxidant Face Cream.

A Word On Ingredients & Storage

Store Blended Naturals Organic Green Tea & Aloe Cleanser and Organic Cucumber & Aloe Toner in a cool place.

Always keep bottles tightly closed and pumps unobstructed of dry product.

Should either of the pumps jam, remove the pump from the bottle and rinse clear of dried product with hot water. Alternatively, products can be applied to fingers or cotton pad directly from the bottle.
