Application

Blended Naturals Skin Clarifying products are indicated for **oily and acne prone skin**. Use twice daily. If excessive drying occurs, reduce to using once daily.

Splash face thoroughly with warm water.

Pump 1-2 drops of clarifying skin cleanser into your hand.

Use the tips of your fingers to rub the cleanser all over your face in circular motions working upwards, avoiding the eye area.

If using the skin clarifying soap, wet tips of clean fingers thoroughly and rub soap onto fingers until covered with suds. Then, apply suds on finger to face, working upwards until covered.

Splash cool water over your face until cleanser is rinsed clear.

Allow skin to air dry until skin is damp but not dry (Alternatively, pat damp with a sterile cotton pad).

Apply 3-5 drops of Skin Clarifying Toner to a cotton pad and swipe across the face working upwards and avoiding the eye area.

Applying 1-2 pumps (for light coverage) of Skin Clarifying Face Cream to your face. Always apply working upwards.

Follow with your favorite sunscreen.

Apply make-up (optional)

A Word On Ingredients & Storage

Store Blended Naturals Skin Clarifying products at room temperature. Avoid storing in warm environments.

Always keep bottles tightly closed and pumps unobstructed of product that may dry and clog the opening.

Should the pumps jam, remove pump from the bottle and rinse clear of dried product with hot water. Alternatively, products can be applied to face with your finger tips or cotton pad (toner only) directly from the bottle for distribution.
